executive committee minutes, cont
9/16/2026

2027. Tetrault tabled the motion until the next meeting. Chapter Presidents should discuss this with their chapters and come to the next meeting prepared to vote.

The need for a replacement sound person was discussed.

Jerry Roberson is no longer camping. A discussion about the potential need for a new webmaster was held. Jerry has said his son would probably take over when Jerry does not want to do it anymore. Tetrault reminded chapters to look at their portion of the website and keep it updated.

The summer rally contract with Elmore County Fairgrounds is up in 2027. We have the option of getting the space for 2028 for the now contracted fee. Tetrault asked chapters to suggest other sites for the summer rally.

The possibility of chapters camping together or all RVers of Idaho members being able to join any chapter campouts was discussed. Wagon-masters for all chapters will meet at 4:00 Thursday to propose how that might work.

Meeting adjourned at 3pm.

Respectfully presented,

Suzanne Craig, Secretary
